

## PACKAGE „ARCHITECTURAL TOUR“

### FROM THE STABLES TO THE ATTIC FLOORS OF THE BAROQUE WINTER RIDING SCHOOL

LEARN ABOUT the baroque roof structure of the Winter Riding School. The climb up of 170 stairs is worth it!

After visiting the Stallburg, we will guide you through the baroque Winter Riding School all the way up to its monumental, impressive three storey roof structure, which is made up of 2,000 individual parts. In addition to the exciting design and the unique atmosphere of this truss, you can expect a fantastic rooftop view over Vienna's inner district.
