A HISTORIC BUILDING IS BEING PRESERVED FOR THE FUTURE

After nearly 300 years, our magnificent Baroque Winter Riding School is facing a major renovation. The unique, free-floating ceiling must undergo extensive restoration to preserve this architectural jewel for future generations.

For this reason, the Winter Riding School will not be available for our regular event program **from February until presumably the end of September 2027.**

We are currently working intensively on an **alternative venue in Vienna** to offer our guests **both morning exercise and performances from April to the end of September 2027.** Information will be provided as soon as the concept is finalized.
